Update from (b)(6)

I just wanted to let you know that (b)(6) from Facebook called me earlier this week to discuss possible solutions. And she just called this afternoon to let me know that she had successfully redirected the unofficial Facebook site to our legitimate County Facebook site, which was the solution we discussed earlier. She even was able to give our official County Facebook site a blue badge. She was very professional and took care of our issues very quickly.

Thank you everyone for your prompt attention to this issue! 😊
